

## "Confidence BiancoFuji" won the EISA Award

BEWITH proudly announces that our eccentric cone speaker system "Confidence BiancoFuji" won the EISA Award for European In-Car High-End Component 2010-2011.

EISA Award is held by EISA (European Imaging and Sound Association), which is the unique association of 50 special interest magazines from 19 European countries, and is the prestigious award to commend the best products in the fields of audio & home theater, in-car electronics, photo, video, mobile devices and green.

Confidence BiancoFuji won the in-car high-end component award with its unique product concept and high quality.
